Permit No. 1975-1-OP
Supplemental Permit No. 1981-36

April 16, 1981

Mr. Merle Buerkett
R. R. #2, Koke Mill Lane
Springfield, IL 62707

Dear Mr. Buerkett:

Supplemental Permit is hereby granted to modify operations at the above named landfill site in accordance with the request by J. Douglas Andrews, P.E. dated February 27, 1981 and received by this Agency on March 2, 1981. This supplemental permit is further subject to the following special conditions:

1. A revised fill progression, the construction of a wet weather dumping pad, and the erection of a temporary equipment shelter as indicated on revised plan sheet #74-113-2 is hereby permitted.
2. This permit is subject to review and modification by the Agency as deemed necessary to fulfill the intent and purpose of the Environmental Protection Act, and all applicable environmental rules and regulations.
3. This permit is issued with the expressed understanding that no process discharge to Waters of the State or to a sanitary sewer will occur from these facilities. If such discharge occurs, additional or alternate facilities shall be provided. The construction of such additional or alternate facilities may not be started until a permit for their construction has been issued by this Agency.

Except as modified in the above conditions, the site shall be operated in accordance with the terms and conditions of Permit No. 1975-1-OP.

Very truly yours,

Thomas E. Cavanagh, Jr.
